Seconded by Kevin Healy

Mr Andy Hartstone –

I am a founder member and group secretary of the Friends of Uddens and Cannon Hill Woodlands, creating the website and managing the group's online presence. I currently run the Friends woodland task events using skills learnt as a Volunteer Ranger with Dorset Countryside.

The membership scheme, quartermaster role and administration of the Gift Aid Scheme are also areas that I take responsibility for.

I am the group liaison for the Forestry Commission and Dorset Countryside.

Seconded by James Burbidge

Mr Scott Whibley –

I have had the pleasure of being involved in the group since the beginning. I was co-opted onto the committee last year to bring a fresh approach and a "young" pair of eyes.

I see the woodland as a local asset that should be invested in for the future, both in terms of its environmental importance and as a recreational area for everyone, infants to the elderly, mountain bikers to wheelchair users.

I am particularly interested in supporting and promoting family use of the woodlands whilst also protecting the wildlife and its natural beauty.

I have children at Hampreston and Ferndown Middle Schools.
