

Friends of Uddens & Cannon Hill Woodlands

There are six possible trustee positions for election this year

Candidates standing are –

1. Mrs Janet Healy (re-election) -

I have lived at Stapehill for decades. I can remember pushing the pram through the woods with toddlers playing. As the children got older they carved their names on the trees, not really to be encouraged, but the last time I looked their names were still there.

I believe passionately that people of all ages need space, more than ever now that our country and county is getting so crowded. I would just like to carry on helping to create the woodland experience I used to take for granted.

2. Mr Kevin Healy (re-election) –

I have lived in Stapehill for almost 49 years. My wife and I have raised our children here and when they were young I enjoyed taking them up to the woods and teaching them about woods and wildlife.

We used to wander for hours. Of Course then it was just Canon Hill Woodlands, there was no road dividing them into North and South.

We still walk the woods quite regularly, sometimes with the grandchildren.

I just would like to help maintain the woods for all to enjoy as we have over the years.

3. Mr Jeffrey Maple (re-election) –

I moved to the area in 2002 and my property backs onto the woodland and the bridle path.

I have been treasurer since the Friends of Uddens was formed. I take an active part in the running of the friends having made many of the picnic tables and currently making the perch benches. I help with the tasks and the work parties because I am committed to making the woods a better place for all to enjoy.

Seconded by Andy Hartstone

4. Mr Rod Whitham (re-election) –

I have been a trustee of the Friends of Uddens and Cannon Hill Woodlands for the past 3 years.

My skills are in engineering project management (For many years a registered member of the association for project management).

I have completed many practical projects such as DIY and possess a wide range of practical skills.

My objective is to do what I can to preserve and enhance the woodlands for the benefit of the local community.
